| Lyre Yoa

Lyre Yoa

Specifically designed for the Yoa luminaire, the Lyre enhances this luminaire with an aesthetic two-armed post-top bracket.

The optional embellishment piece increases the uniqueness of this ensemble. Composed of die-cast aluminium, it is available in all standard Schröder colours.

Certified for the loads defined in EN40, the Lyre bracket can be installed on poles with CE marking.

Key advantages

- Large range of brackets to suit all your needs
- A unique design that adds value to your lighting installation
- Perfectly matched to be used with Schröder luminaires
- Can be customised in all Schröder colours
- Long lasting - made from high-quality aluminium
- Compatible for use in EN40 calculations

Types of application
